Lord, you know that it is sometimes difficult for us to make changes,
We have to leave behind the comfortable and the familiar,
We have to go out into the unknown and that can be worrying and scary,
You have promised to lead us and that gives us confidence.
Help us to recognise you and know that you are leading us, in the people around us and in their kindness to us.
Help us to be kind and helpful to others who have to make changes. Amen.
